

StarLink FIRE MAX2

New Instant Pro Rebate for StarLink Fire MAX2 Dual Sim Communicators

Now there's nothing to mail in or submit for the Pro Rebate on StarLink Fire MAX2.

A \$50 USD credit will be applied to your account, immediately upon activation. So, for example, if you use the \$9⁹⁵ plan, that's like getting 5 months free service. And, that Rebate is available for all security pros, for all applications, every time, for new installations and retrofits, replacing POTs, an existing radio or upgrading one of any brand.

Life is hard. NAPCO StarLink makes it easy. Thanks for your support.
